Tian-Zhi Li

E-mail: tlee@stu.pku.edu.cn   Homepage: tianzhi-li.github.io

Basic Information

Tian-Zhi is a final-year PhD student at Peking University (PKU), and also currently a visiting student (Dec 2024 - Dec 2025) at Nanyang Technological University (NTU), Singapore. His research interest lies in the field of **Control** and **Learning** of robot systems. He is especially interested in leveraging differential geometry and physical principles to develop computationally efficient algorithms for robot **control**, **estimation**, and **learning** with sound theoretical guarantees.

Education

Peking University   Sep 2021 - Jul 2026
    PhD Student (Dynamical Systems and Control)
Nanyang Technological University   Dec 2024 - Dec 2025
    Visiting PhD (Mechanics and Control)
Beijing Institute of Technology   Sep 2017 - Jun 2021
    Bachelor of Science (Mathematics)

Teaching Experience

Teaching Assistant, Peking University   Sep 2023 - Dec 2023
    Ordinary Differential Equations
    - Recieved *Excellent Teaching Assistant Award* (second time)
Teaching Assistant, Peking University   Sep 2022 - Dec 2022
    Linear Algebra
    - Recieved *Excellent Teaching Assistant Award*
Teaching Assistant, Peking University   Mar 2022 - Jun 2022
    Analytic Mechanics

Honors and Awards

National Scholarship (top 1%)   Sep-2025
By China Ministry of Education

Presidential Doctoral Scholarship   Jun-2025
By Peking University

Merit Student Award (top 1%)   Sep-2025
By Peking University

Dean's Scholarship - First Prize   Oct-2024
By College of Engineering, Peking University

Yuehua Luo Scholarship   Nov-2024
By Peking University

Excellent Teaching Assistant Award   Mar-2024 / Apr-2023
By College of Engineering, Peking University
